 APPEAL BOARD
 02 NOV 22 PM 6:03

On behalf of Biologically Integrated Organics, Inc, we respectfully request a thirty-day extension of time within which to oppose the above-captioned application, i.e., until December 18, 2002. A previous extension of time was granted until November 18, 2002.

The extension of time is necessary to give the prospective opposer time to complete its study of the situation and complete an investigation into the nature and extent of applicant's activities under the ARVESTA Plus Design mark. This information is necessary to determine conclusively whether to oppose, and if so, to prepare a formal notice of opposition, or to contact the applicant in an attempt to resolve any possible conflict.

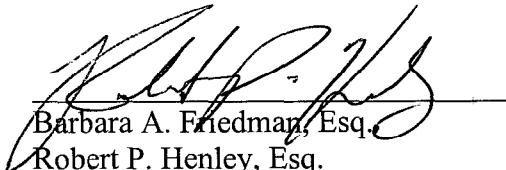

This request for an extension is not being made for the purpose of mere delay. Favorable consideration is respectfully requested.

All correspondence with regard to this request should be mailed to Robert P. Henley,
Morgan Lewis & Bockius LLP, 1111 Pennsylvania Ave, N.W., Washington, D.C. 20004.

Respectfully submitted:
